Enclosure No. 2 bills

Sir,

I have the honor to state that I have been the Plague officer since the 23rd of December 1899. In addition to the duties of Plague officer, I am attending to all sanitary questions which are brought referred to me, from time to time by the President, Sanitary Board

Before I was appointed as Plague officer, I was the Superintendent of the Plague Camp at Borgaum for nearly eight months.

In performing my duties,

in

in different capacities, on the Gold Fields, I have been put into considerable pecuniary difficulty

It may not be out of place to mention, in this Connection, that the Special Plague Officer was allowed an allowance Rs. 200/- per mensem, by the Government, during the time he was in charge of the Plague operations on the Fields. I was allowed an allowance of Rs. 60/- per mensem as the Superintendent of the Plague Camp at Oorgaum till the 1st October 1899. Since then, I have not been given allowance of any kind

It is well known that living on the Fields is extremely costly. It is equally difficult to maintain animals.

For want of proper accommodation and Conveniences on the Fields, I have been obliged to maintain two establishments — one at Bowringpet for my family and the other for myself here. Thus it will be seen that I have suffered not a little pecuniarily

I request therefore, that you will be pleased to Consider

to consider my difficulties briefly mentioned above, and lend me the weight of your support and obtain for me an allowance of at least Rs. 100/- a month

I enclose herewith two bills for favour of your recommendation

I have the honor &c.
Sd. S. Ranganna
Plague Officer
Kolar Gold Fields.

Forwarded to the Senior Surgeon with the Government of Mysore for very favourable consideration

Assistant Surgeon S. Ranganna has carried out his duties with zeal and efficiency and has been put to very grave inconvenience and much expense in living on the Gold Fields I would strongly recommend the special allowance of Rs 100/- asked for being given him
